

Dear friends,

Warm greetings to you all. I hope this email finds you well.

I just wanted to share some brief updates with you at this time, and some details of my upcoming trip to Australia, and where I'll be sharing about the ministries (see the bottom of this newsletter).

So, first of all let me share with you some updates:

- We were joined at Isaiah's by two adorable children recently. It is reported that they are victims of abuse, and we continue to investigate the background to their situation. Please pray for them.

- We are wondering if there is anyone who is a teacher who would like to come and volunteer and serve next year at Lighthouse Christian Academy? If you would like to find out more we'd love to hear from you.
- Through Esandleni Sothando we started an empowerment project for the guardians of the girls being assisted. They have produced some beautiful jewellery, which I'll be bringing to Australia to sell, mostly made from recycled magazines and the like. Here is some of it being modelled (or should I say played with) by Mercy and my adorable daughter, Isabella!

- We've had 16 vulnerable children from the Trenance community, from the ministry Children of Grace who also run an ACE schooling program, join us at Lighthouse Christian Academy this term. This is going well.
- Pastor Murray from The Point Church in Lennox Head is with us again, and he is such a blessing to many many people, with his passion and zeal for God, and love of people. He's particularly assisting at Hearts of Love, and God is using him mightily*. They are doing some outreach on the streets of Bulawayo also soon.

Thank you to all of the MANY PEOPLE who are part of Our Neighbours Ministry in so many different ways. Thank you so much for your part!

I'm coming to Australia very soon, and will be there for the month of October. I look forward to seeing many of you then.
