GIFT CATALOGUE

Gifts of love, hope and opportunity

Isaiah's Homes of Love

Isaiah's Homes of Love was established to assist abandoned babies, orphans and children in desperate need of care. Since 2007 we have lovingly cared for over 100 babies and children. Where possible we seek to reunite these babies with extended family members. But many are also fostered, to be adopted, by loving families, whilst others are placed into 'forever family homes' and just a few are loved until they leave to be with the Lord.

This home for abandoned babies, currently cares for 26 children aged between newborn and five years old.
